

Lowell High School

Latin Lyceum

Course Selection Information

2012-2013

The overall graduation requirements for students in the Latin Lyceum program of Lowell High School are as follows:

Lyceum Requirements	
Math	4 Years
English	4 Years
Social Studies	4 Years
Science	4 Years
World Language	2 Years Latin
Health A/B	1 Year
Physical Education	4 Years
Band, Chorus, & Dance can substitute for PE	
ROTC can substitute for PE & Health	

Students in the Lyceum are expected to select courses from the list of core courses identified in the left-hand column below. Where more than one core course is listed for a given department in one year (for example, the two math courses in 9th grade), the student may select one. Available choices are denoted by the dark outlined boxes below. Additional courses are listed in the Course of Studies Catalog and may be selected, in some cases, instead of the courses listed below. All courses selected must be at the honors level or higher.

Available slots for electives may be filled with any elective at the honors level or higher, in any subject. Some electives that are typically of interest to Lyceum students are listed in the right-hand column below, but this list is not exhaustive. Students are encouraged to review the Course of Studies Catalog for the full list of available electives. Students are further encouraged to work closely with their guidance counselors in making course selections.
